Info

Keyboard

Most palm size PDA's use a stylus pen to enter information. The stylus pen enters information by writing on the PDA's display screen. A keyboard will increase the size of the PDA. If you desire the smallest possible PDA then consider choosing one that utilizes a stylus pen. 504

By selecting this feature you have limited possible PDA choices to 37 products. 506

Out of these 37 products, the top products based on number of features and Consumer Review ratings are: Compaq 2010c, IBM Workpad Z50, more...
